

# Women's Introductory Personal Safety Class

This introductory program is based on the premise that we can help class participants heighten their awareness about their personal safety all times, and introduce them to firearms. A course designed by certified instructors to provide the student, even someone with virtually no experience with firearms, an opportunity to learn in a comfortable classroom setting of their peers. The only prerequisite for participation is an interest in personal safety.

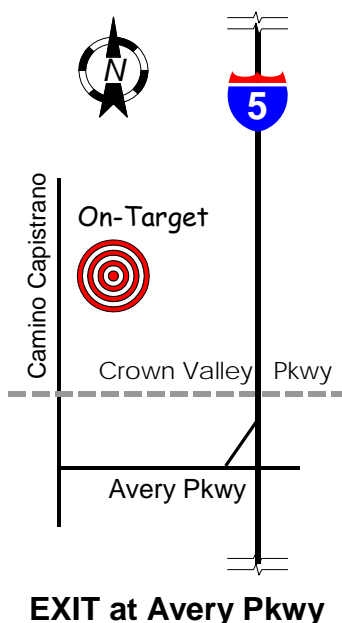

This basic introductory Course covers:

**Awareness:** The key to personal security. Observing your surroundings is key to keeping safe.

**Personal Safety Plan:** What do I do when? Everyone needs to think about what you will do about a situation.

**Fundamentals of Pistol Marksmanship:** Firearm handling with small caliber pistols, gaining experience in basic shooting skills.  
Perfect for the beginner

**Knowledge of Legal Issues:** A shortened version about what does the law say about personal protection.

**COST:** \$75.<sup>00</sup> Per person

All ammunition, firearms, hearing, eye protection and targets provided as part of the class. Students should wear closed toe shoes and clothing that will prevent ejected cartridges from going down their necks or backs.

Classes usually run three (3) hours, size is limited. Call to reserve a place in the next class, a nonrefundable \$25 deposit is required.
